eThekweni-University Research Symposium

Wednesday, 19 September 2012

UKZN Innovation Centre

CALL FOR ABSTRACTS

The Municipal Institute of Learning (MILE) and its university partners, the Durban University of Technology (DUT), Mangosuthu University of Technology (MUT) and the University of KwaZulu-Natal (UKZN) invite submission of abstracts for oral and poster presentations at the Inaugural eThekweni-University Research Symposium taking place on Wednesday, 18 September 2012 at the UKZN Innovation Centre. The invitation is open to post-graduate students, academics and local government practitioners whose research findings have a bearing on Local Government. Research submitted should relate to one or more of the symposium's themes (Please refer to *eThekweni-University Research Symposium Themes* for further information on each of the themes).

Overarching Theme

Enhancing the Quality of our Living Environments

Theme 1 - Development within the Built Environment

Theme 2 - Localising Economic Development and Job Creation

Theme 3 - Natural Environment, Climate Change, Water and Energy

Theme 4 - Rural Development and Agrarian Reform

Theme 5 - Fostering Governance and Local Government Responsiveness

Theme 6 - Health

Theme 7 - Enhancing Social Equity

Theme 8 - Safety and Security

Please email your abstract to: stephanusm@durban.gov.za
