Role in Games

The Sport Acts, its Amendments; the National Sports and Recreation Plan (NSRP) as well as the 2015 SALGA/SASCOC Conference declarations clarifies the roles of our sphere.

Municipal Sporting Functions

All Municipalities are expected to be hosting one or more of the following sporting programmes. The programmes must include best indigenous games, encourage transformation, promote social cohesion and contribute to the eradication of social ills with special focus on vulnerable groups:

- 1) Early Childhood Games:** Early childhood development through sports and recreational activities;
- 2) Developmental Games:** Raises the profile of sports development in the youth to develop talent and address social ills
- 3) Municipal Wellness Games:** Uses sports and recreation to build healthy municipal personnel and address social ills and reduce conflicts within officials and their principals;
- 4) Golden Games (60 years and above):** Increases the levels of senior citizen participation in sports and recreation activities;
- 5) Paralympics (Physically challenged):** Inclusion of physically challenged persons into sport programmes;
- 6) Special Olympics (Intellectually challenged):** Raises the participation levels for intellectually challenged athletes;

WAY FORWARD

A strong partnership to deliver both the Facilities and Games is paramount
