

# EThekweni Municipality Security Management Unit

# SECURITY MANAGEMENT

- ▶ The core function of Security Management is to provide a security and intelligence service to the eThekweni Municipality and to perform the following strategies/functions:
  - Land Invasion Control;
  - Security Services at City Hall (Static Security);
  - Contracts and Surveys ;
  - Escorts and Rapid Response; and
  - VIP Protection.

# Security Management

## Security Services and City Hall

The City Hall is Councils seat of Government and houses its senior leadership. It is a Monument and a tourist attraction. Being a high profile public arena, the City Hall requires dedicated security and access control measures.

Our function is to provide static protection service

# Security Management

## Contracts and Surveys

- ▶ This Section manages all outsourced services related to security. By setting standards required for outsourced engagements, the department establishes Councils security requirements.
  - ▶ Ensure contract compliance.
  - ▶ Drawing up and advising on security plans, to protect the Council's assets.
- 

# Security Management

## Escorts and Rapid Response

- ▶ This Section of the Unit improves the security of Council owned installations by:
  - providing a 24 hour security rapid response service to respond to Council alarms, incidents and monitor contract guarded sites;
  - extending and improving the escorting and protection of Council employees performing duties in sensitive areas or situations.

# Security Management

## **VIP Protection**

This Section provides protection services by:

- ▶ Providing a VIP protection service for Council;
- ▶ Providing a static Protection service to approved venues; and
- ▶ Responding to ad hoc protection requests.

# Security Management

## Land Invasion Control (LIC)

The section is responsible for the following functions of the Unit:

- ▶ Prevention of illegal invasion of land in which council has an interest;
- ▶ Monitoring and controlling of illegal settlements;
- ▶ Eviction of illegal occupants of Council owned low cost housing projects; and
- ▶ Provide security services during relocation of beneficiaries.
